## WELCOME

The autumn is almost over and the nights are drawing in, meaning Christmas is only just around the corner! I am pleased to bring you our new diary of events which details our ever popular festive celebrations as well as some new ideas for 2013.

2012 has certainly been an exciting one for Ston Easton Park with the sale completing in early August, finally opening a new chapter in the long history of this wonderful estate. We are also delighted to announce the arrival of our new award-winning Head Chef Daniel Moon, with whom I previously worked at Homewood Park Hotel for a number of years.

That said, we are in the mood to celebrate and would love you to join us! We are offering a complimentary glass of bubbly for those who book a table of six or more for dinner in the restaurant during December, January, February and March.

I really hope to have the pleasure in welcoming you back to Ston Easton during the festive period and beyond.

General Manager
